

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

HENRY
BOLTINOFF

8-22

A black and white line drawing of a boy and a girl sleeping in bunk beds. The boy is on the top bunk, and the girl is on the bottom bunk. A ladder is visible between the bunks. A door is on the left, and a small table with a lamp is on the right.

Even Exchange
